2023 DO-IT Program – Dover Opportunity for Investment in the Town

DO-IT is an initiative designed to assist Dover businesses with revitalizing exterior aesthetics of commercial property. DO-IT is intended to make Dover commercial property more attractive and desirable to frequent.

DO-IT is funded annually through an appropriation of local option sales tax revenue and distributed to applicants on a first come, first served basis to applicants that meet the eligibility requirements, fulfill the program guidelines and support the goals of the program.

The Town of Dover will rebate 75% of the approved project's total cost (PTC) to a maximum grant award of \$5,000.00. PTC includes cost of materials and contracted labor. No 'sweat equity' is includable.

Eligibility:

Applicants must meet the following requirements:

- Must be a commercial property and the property and improvements must be visible from Route 100 and/or other major town roads and/or the Valley Trail.
- Eligible projects include:
 - Front façade upgrades including, but not limited to, painting, siding, roofing, outdoor dining spaces, paving of parking areas directly in front of the commercial area. Other improvement projects may be considered. Projects must have a minimum PTC of \$1,000.
- All projects must meet appropriate state, town and zoning ordinances.
- Applications must be complete and include any and all formal material and/or labor cost itemized estimates and before photos.

Guidelines:

- Applicants should hire local contractors whenever possible.
- Multi-related commercial properties are considered as one commercial property.
- Priority will be given to first time applicants as well as those projects that increase economic viability or repair a major structural component of the building.
- Commercial properties, including multi-related properties, may apply for more than one project but will only be approved for one grant per fiscal year.
- Grants awarded under the DO-IT program may be treated as income and therefore be subject to taxation. Applicants should seek professional advice as the Town of Dover is not liable for any resulting income tax on grant amounts.
- Non-profits will be considered on a case by case basis.
- The Dover Selectboard reserves the right to approve or deny any request including dispersal of funds if program requirements are not met.
